K101-0914-BSKT
 Armature Shaft Adaptor Bushing Kit
 for Gear Reduction Armatures
 \$329.00

Allows the most accurate reading in evaluation of armatures.

- Armature Shaft Adaptors (bushings) for Gear Reduction Armatures
- Used on S051-0914, S051-0934, K101-0914 & K101-0934 Armature Analyzers
- The adaptors fit over the shaft on the CE and DE and position the commutator for the correct seating position with the brushes.
- Can be purchased by set also. (2 bushings to a set), see below.
